

The Dirt Club – Private MTB Riding Area

Maybe you're wondering just what the heck is The Dirt Club? Well it's the next evolution of Stump Grinder Productions, the small promoting company that has brought you the Firestone Classic, now known as the Santa Ynez Valley National, for the past 12 years.

WHAT: Private location for mountain biking enthusiasts to enjoy their healthy lifestyle sport in a safe location completely removed from other trail users, this is to be a 100% conflict free riding area. With 2 different downhill trails, one super downhill trail, a dual slalom course, a 12 mile cross country course, and miles of dirt double track ranching roads, countless opportunities are provided for riders of all abilities to explore and have fun. This venue has hosted various MTB races the past 12 years, it's time that we open it up, but we have to pay for it's use, in order to do so we've developed the plan to sell memberships and to charge inexpensive gate fees to non-members.

WHY: During a time of constant conflict between other trail users and mountain bike riders, not only in the Santa Barbara area, but all over the US, it just seems like a great full time use of the trail network that we have built here at The Dirt Club over the past 12 years. In addition, we envision The Dirt Club hosting training camps, bicycle product launches, bicycle industry functions and other events.

WHEN: Saturdays and Sundays from 10 AM to 5 PM for Dirt Club members and daily non-member visitors. Every Wednesday afternoon The DC will be open @ 3 PM for a "\$5" ride for non-members, members can ride for free, designed to showcase the riding areas to potential new members.
